SYDNEY & CAIRNS

8 NIGHT AIR & LAND INCLUSIVE VACATION FROM \$1899 pp, TWIN SHARE

Discover the scenic, cultural and historic cities of Australia when you travel to two iconic cities!

Travel to the vibrant city of Cairns, the gateway to the **Great Barrier Reef** and the World Heritage-listed **Daintree National Park**. The region is as diverse in natural treasures as the cosmopolitan mix of cultures and people that call this region home. The majestic coral structures that make up the **Great Barrier Reef** extend over 1200 miles, and provides superb recreational activities such as snorkeling, diving, swimming, semi-submersibles, coral viewing and fishing. The **Daintree Rainforest** is the oldest surviving tropical rainforest on Earth, and is a site of exceptional beauty and significance as the region that contains the most species of plants and animals in Australia. Here, a 'living museum' of flora and fauna can be found, and rare, even previously unidentified species of birds, insects and mammals have emerged to delight biologists and nature lovers.

Continue to **Sydney**, where the laid-back outdoor lifestyle and physical allure make it one of the world's easiest and most pleasant cities to visit. All of **Sydney's** attributes lie within easy reach of the city center - **Sydney's** harbour is its natural playground, the dominant factor in so much of what the city has to offer. The city has a wide-ranging cultural life, dynamic food scene and vibrant cityscape of outstanding contemporary and colonial architecture. Iconic beaches and five major national parks deliver unforgettable experiences!
